Kim Etheredge: Director

RHEA MEDICAL
HEALTHCARE
FOUNDATION, INC.

RHEA MEDICAL HEALTHCARE FOUNDATION, INC.

The mission of Rhea Medical Healthcare Foundation is to provide gift giving support necessary to enhance Rhea Medical Center's continued leadership, excellence, compassion and growth in providing high-quality, state-of-the-art medical and emergency care.

Healthcare is more than just treating patients — it is a program to promote wellness in the community.

The Foundation helps raise funds which are used to support healthcare services on behalf of Rhea Medical Center. Such items might include:

- Purchase of new equipment for up-to-date diagnostic, medical, surgical and treatment services;
- Deployment of new services and patient care programs;
- Community wellness and education projects, and more.

Methods of Giving

Memorial Gifts are a thoughtful way to express condolences to the family of someone who has passed away. Gifts may be made in any amount. Your gift will be acknowledged promptly (gift amount is not mentioned).

Honor Gifts are a unique way to remember a special occasion such as Father's Day, Anniversaries, Holidays, Birthdays, etc. A note will be sent to the honoree acknowledging the gift.

Planned Giving is a living legacy of your concern for your community and for generations to come. By including the Foundation in your will, you truly will leave something special behind.

Major Gifts are significant sum contributions which may be designated for a specific purpose, project or program.

Corporate Gifts are a special way for a business to show support and concern for their community. A gift can be given in the name of their employees or perhaps a business founder.
